Dear Station Manager:

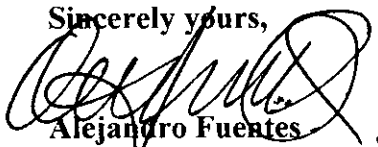

On behalf of our homeless children, we thank you for the four Wal Mart shopping vouchers which you donated to AA Champion School. The school, in turn, passed them on to us, and four of our school children were able to buy school clothes. They and their mothers join me in expressing their gratitude to you for your kindness.

As you can imagine, it is difficult for children to be homeless and wonder if their classmates will look down on them for not having good clothing. Thanks to you, this is no longer a problem for these four children.

Families with children as well as single adults come to us each day seeking food and shelter. All persons are given an initial cost-free stay of thirty days, during which we do our best to get them back on their feet in the mainstream of society. None of this would be possible without the active participation of fine local people such as you.

We truly appreciate your interest and support and hope that you will continue to remember us. May God bless you!

Sincerely yours,

Mr. Ray Alexander

Weslaco, Tx. 78599-0005

Dear Ray,

Thank you for your generous gift in support of Zoofari 2001 and the Gladys Porter Zoo. The Directors of the Valley Zoological Society appreciate your continued support and donation of the 2 tickets to the "Regis & Kelly" show in New York City. This will be auctioned during one of our Zoofari events.

The Zoo is celebrating its 30th anniversary this year and over these 30 years we have made many improvements and maintained our status as one of the top zoos in the world. This has been accomplished through the hard work and efforts of many. We are proud of our conservation and educational programs and the fact that we provide a safe, recreational, and family-oriented experience for all who visit. We are also very fortunate in that we have a wonderfully dedicated and involved staff and a generous supply of volunteers, all of whom continually go the extra mile for the Zoo's cause.

We hope you and your friends will join us October 5th & 6th and help us make Zoofari 2001 extra special. This year's proceeds have been dedicated to the renovation of the Galapagos Tortoise exhibit.

Again, thank you for your donation. Since you received no goods or services in return for your gift and the Valley Zoological Society is a 501-C3 tax exempt organization, your donation should be considered fully deductible for income tax purposes.

Dear Mr. Alexander

Thank you!

Your recent contribution to the 4th annual Distinguished Lecture Series was very significant in helping us reach our highest net in the history of the Series. I wish you could have been at today's UTB Development Board meeting to hear the enthusiastic report from the Jack Horner lecture. His presentation was a huge success, both at the evening event, and the next day for 2,000 area students, at which he stayed an extra forty minutes to continue to answer hundreds of their questions!

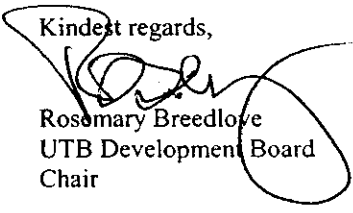

As you know, the Distinguished Lecture Series offers an opportunity for guests to become better acquainted with UTB by being present on campus for this event, as well as allowing an opportunity to share what we do best provide a stimulating learning experience for adults and youth alike. It has become one of the most important fundraising events for UTB. This money is targeted to support various significant student and faculty programs, which would not be able to take place without the additional funds.

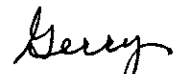

We just want you to know how very important your contribution has been for this campus community, and for our area students who also participate. We are very proud of the quality of speakers you have helped us provide, and we are now in the process of seeking our next guest lecturer. Our committee solicits your ideas, and we would welcome your input. You have made such a difference with your interest and financial help in the past, and we do so hope that you will be able to assist us again when the drive begins for underwriting support for the Distinguished Lecture Series, 2003. Please consider putting the Lecture into your budget again for next fall.

Thank you a million times over for your participation in the Distinguished Lecture Series. We are delighted that you are with us and look forward to visiting with you in the future.

Best wishes for a wonderful and blessed holiday season with those whom you love.

Dear Mr. Alexander;

I am writing to express appreciation from the Ronald McDonald House of the Rio Grande Valley for the great support Ch. 5 gave during our recent 3rd Anniversary Ronald House Radiothon. I would also like to commend your cameraman Israel "Rocky" Alfaro. During a 14-hour event day, when we had over 70 volunteers, Radio staff and personalities and RMHC Board Members, Rocky stood out like a shining star. During the news broadcasts, he was always polite and professional (he was even training someone new that day), and during the down time, he helped out around the House. He had such a great hospitality, you would have thought he was greeting people at his own home. I'm enclosing a photo of him serving cookies to volunteers, families and radio staff. Rocky was definitely our superstar of the day!

We certainly appreciate the continuing support KRGV gives to the Ronald McDonald House; you are helping us to make a difference in the lives of families who stay with us when their child is sick and hospitalized. Congratulations on your community minded approach to business, and your exceptional employees.

Dear Mr. Alexander:

Thank you for supporting United Blood Services and recognizing the need to promote blood donations here in the Rio Grande Valley. Healthcare in the Valley has grown tremendously in the last few years but the blood donations needed to support the care that can now be provided locally has not increased at the same pace. United Blood Services has served the Rio Grande Valley since 1953 and worked to provide the safest and most appropriate blood component for our local patients. We have always had to rely on other areas of the country to help meet our patient needs. Now blood donations across the country are down and it is more difficult to rely on other blood centers' help. It is important that we increase the number of blood and platelet donations locally. One way to do that is to constantly educate the public about the need and how easy it is to donate blood.

The "Have a Heart" campaign was a great idea and although we had hoped for more blood donations, it was a **success**. I hope that we can make it an annual event. Your station has been very helpful during times of critical blood shortages and I hope that we can form a partnership to continue to increase public awareness of the need for blood donations so we can eliminate the need to have emergency appeals due to a critical shortage of blood.

Once again, thank you for your support. It is another example of what matters to the Valley, matters to you at Channel 5.

Dear Mr. Alexander:

Please accept my heartfelt appreciation for your continued support of the Make-A-Wish Foundation® of the Rio Grande Valley. Your commitment of \$1,800.00 to become a Cinderella Sponsor for our Third Annual Glass Slipper Ball for Saturday, May 5, 2001 to benefit our chapter will most certainly help make wishes come true for some very deserving children right here in the Rio Grande Valley.

As you know, the goal of the Make-A-Wish Foundation® is to grant wishes to children between the ages of 2 ½ and 18 with life threatening or terminal illnesses. All of the people who support our cause seem to understand that for the children we serve life is not measured in years, but in memories. Together we are creating memories that our children and their families can cherish for a lifetime.

Perhaps we cannot change a child's fate, but we can extend and improve the quality of life by strengthening it with a renewed sense of happiness and hope. Thank you in advance for your generous support. From the Board of Directors, all the volunteers, and the very special children we so proudly serve...

Warmest "Wishes",

We are extremely thankful to you and your station for hosting the **Hurricane Awareness Pre-Planning Media workshop on Tuesday, May 8**, about a week ago. The attendance was perfect. We enjoyed the delicious lunch and pizza. It was all great.

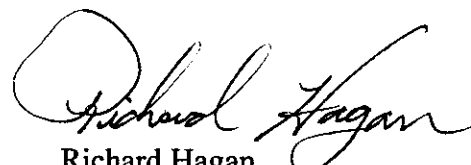

Tim, please pass on our appreciation to all at KRGV-TV. We can't exist without your station in more ways than one. Thanks for your fine hospitality. We know this will all pay off. We continue to look forward to work closely with you and your station as we progress through the upcoming Hurricane Season.

Dear Ray:

There should be a more appropriate and meaningful phrase besides a hearty "Thank you" that could express our gratitude to you for supporting the 2001 Great BEE Literate Spelling Bee for the McAllen Literacy Center.

Despite all the good intentions and dedication of our Board, our tutors, and the genuine eagerness of our students, little could be accomplished without community support. Of course, that means your caring and recognition of the importance of literacy in our community.

We sincerely appreciate your help. Please convey the thanks of every one of us to your team members for a job well done. They are all winners and we salute them.

Your continued support will enable us to strengthen the small business and add value to our members through economic development, education and cultural events through proven leadership.

Best wishes for your business and may the Lord watch over you and your family.
